

Employment Opportunities

Instructions:

Our new online application system allows you to complete an application for employment for current openings in Middletown Township Public Schools. This applies to licensed certificated positions as well as non-certificated positions. **ONLY SUBSTITUTE CUSTODIAL APPLICATIONS DO NOT NEED TO GO THROUGH APPLITRACK.** Please contact the Buildings and Grounds Department at 63 Tindal Road, Middletown for paperwork for substitute custodial positions.

Please use the ***“Start an Application”*** link to begin the process. The application consists of multiple steps and may take 30 to 60 minutes to complete. You do **NOT** have to complete the process at one time, however, and can use the ***“Continue/Modify your Application”*** link to return to an application that you started to complete or update it.

IMPORTANT NOTES: Middletown Schools require all applicants to use the District’s online process. We are no longer accepting any paper applications. This includes certifications, letters of reference, cover letter, etc. Use our online process to complete your application as well as to upload any additional documents needed for the application.

When you submit your application for employment, you will receive an automatic email acknowledging receipt of your application. Due to the volume of applications we receive, the District is unable to respond to telephone inquiries regarding the status of an application.

You must resubmit or apply through AppliTrack for each vacancy in which you are interested.
